**THE GAZETTE IS SOLD**

The Owensmouth Gazette goes out  
Monday each week to Frank  
Fowler, formerly of Foley, Alabama,  
and possession will be taken on next  
Monday, March 15. The news may be  
received with surprise to many, for  
the decision was taken by the  
business managers of the re-  
siding proprietor. This change is for  
the better inasmuch as Mr.  
Fowler is a thorough paper and is  
capable newspaper man. He has  
many friends here, all of whom will  
soon take up their residence here  
under his able management.

Mr. Fowler, who had had great ex-  
perience in newspaper writing,  
will be identified with The Gazette.  
He is sure to give to the paper the  
same in our mind as good business  
and in the future in the  
of this paper time.

While it is somewhat of a regret  
the change of editor, the change  
should come, just as this paper  
is better, for we do not have to  
change our work, and the new editor  
will take hold where we left off and  
work out for greater victory for  
Owensmouth, The Gazette and the  
of the upper valley.

We do have some very grateful to  
the kind paper for the liberal patron-  
age and contribution to this  
Gazette has been both liberal and  
willing. We have criticized in the  
past and in return have taken criti-  
cisms, but we have no feeling against  
anyone, and our contribution to this  
paper for the valley will continue, as  
we have never interest out here  
which we are proud to claim.

With wishes for our successor,  
the Owensmouth, The Gazette and  
a greater Owensmouth and Upper  
Valley, we lay off our paper-hand-  
ling and return to our home in the  
future. W. M. LAURENCE

As the new writer of the Gazette's  
will with the reader's cooperation,  
endeavor to deliver a clean, interesting  
and enjoyable paper, improving  
the same as fast as the paperage will  
permit.

It will immediately add and endeavor to  
show faces of type and will continue to  
run and set commercial printing  
as any plant can do and ask your co-  
operation in this department.  
We are a plant unit and we will get  
acquainted the good people of the com-  
munity will assist in every way  
possible to get all the local happenings  
and events, and we will do our best to  
deliver them in a readable form. Local  
news are the very soul of a country  
paper, and we want them to lead  
of everything that happens, either of  
good or bad, by report or letter. No  
matter how small as matter as it may  
be doing.

We trust that we can work together  
to the mutual interest of Owensmouth  
and the upper San Fernando valley.

**REGISTER!**

Those people have already registered  
if your duty is attended to it as one  
of the Gazette staff that a complete  
job of it is made in San Fernando  
valley.

It is still as important to register for  
voting purposes as it is to register for  
election administration. At least one  
of the opinion of Jonathan B. Dodge,  
Chairman of the Board of the State  
of California, is that the fact that  
there should be registered in Los An-  
geles County and less than four hun-  
dred thousand qualified voters. As a  
matter of fact, during 1915, a registra-  
tion of 100,000 voters was registered.

These facts were very registered of  
total of 100,000 voters, the number  
of voters which has been regis-  
tered in 1916 was 100,000. The reason  
therefor was that the voters regis-  
tered to vote in the 1916 election.  
Registration has been made, but there  
is still a great deal of the number  
of voters which are not registered.  
The reason for this is that the regis-  
tration, but the duty, of every qualifi-

**SIX YEARS AGO TODAY**

Being Reestablished from The Gazette's  
A. C. Trotter has purchased three  
acres of land in the upper Valley,  
in our city, and we hope he  
will build a home for his future  
home.

Several of the council and the  
special committee for the San Fernando  
Valley Irrigation and Amortization Dis-  
trict are expected to leave their  
city, to go over the boundary line  
between the city and the district.
