WALNUT GROWERS ORGANIZE

Keen competition for the new packing house to be erected in the San Fernando valley has prompted growers this year has sprung up between Burbank Van Nuys and Lancaster, each community making a strong bid for the exclusive and securing attractive inducements to the board which is to meet within a few days for the purpose of deciding upon its location.

The fact that probably \$300,000 worth of walnuts will be handled by the new packing house during the coming harvest season makes it obvious that the location of an enterprise will be a noteworthy business.

The San Fernando Valley Walnut Growers' association, which was organized at a meeting held recently in Lancaster recently, is the twenty-sixth cooperative organization to affiliate with the California Walnut Growers' association, which handles more than 75 per cent of all the walnuts grown in this state.

The organization was formed with nearly 600 members from the San Fernando valley growers, a temporary board being chosen as follows: W. W. Gregg of Lancaster, chairman; J. D. Radcliffe of Burbank, secretary; J. T. Deant of Owensmouth, D. E. Kibbe of Van Nuys and E. W. Walker of San Fernando.

Owensmouth members are, E. W. Beckstead, A. T. Brand and A. C. Brubaker.

MAKES RECORD RUN

The Mission Play, John Steven McCortney's famous stage drama of California, will close at the San Gabriel playhouse, Van Nuys, after a record-breaking season of nearly five months' consecutive performance. More than 100,000 persons have witnessed the Mission Play on High.

The employees of the Huffaker Garage at Van Nuys held a hill climbing contest with their own Ford. The starting gun was fired at 10:30 a. m. and the Huffaker garage of Van Nuys distributed a special election truck to his assistance, which made the record in two hours and 35 minutes. The car on the track and made the return trip in 2:30, which is going slow.
