ANNOUNCEMENT!

TO BEAN GROWERS:
 The Marian Milling Company is now owned exclusively by Messrs. Wallace & Bryant, a well known Los Angeles firm engaged in the business of buying and shipping California products such as beans, honey, canned goods, etc.

This firm was only a minority stockholder in the Marian Milling Company, but was forced to take entire control in order to protect all creditors from loss by debts incurred under the former management. The fact that this has been done, all creditors receiving dollar for dollar, and that the warehouse has now been placed under new management, should, we feel, re-assure a full confidence in this business, provided same has been shaken by recent events. For any further information as to our standing we refer you to the First National Bank of Van Nuys; the San Fernando National Bank of San Fernando, and the State Bank of Owenmouth.

We are now giving our mill a complete overhauling and getting everything in readiness to handle the new crop of beans. Let us do your cleaning, we will give you a square deal and our work will merit your patronage.

Just received a carload of new bean bags, better price an order now to cover your requirements. Also get our prices on bean straw before you sell.

The name of this Company will shortly be changed and it will heretofore be known as the MARIAN WAREHOUSE.
