The KITCHEN CABINET

"The day goes and the night comes and the work of the day is done. The day is done and the night comes and the work of the night is done. The day is done and the night comes and the work of the night is done." DAINY BARKER SMITH.

The individual results are best adapted for an article of merchandise, which is popular and desired in the household. The individual results are best adapted for an article of merchandise, which is popular and desired in the household.

Continued. **Overstuffed**—Prepare the sandwiches by making them in cold water, to which a little of the water from the sauce is added. Use a heavy paper or wax paper to wrap them. When cold roll in strewn powder. Fry a whole lot at a time. Turn gently over and over until golden brown and drain on paper.

Dish Five—Dish—Have one cupful of small tender, firm tomato soup. Put through a strainer. Season with salt. Add a few drops of Worcestershire sauce. Heat the soup in a double boiler or a hot water bath. When hot, add a little of the tomato and the soup. Add a little of the tomato and the soup. Add a little of the tomato and the soup.

TIMELY SUGGESTIONS
A good woman takes care of her husband and takes pride in keeping their house. This means that she should have a good kitchen. A good kitchen is the heart of a home. It should be kept clean and bright. It should be well furnished with the latest appliances. It should be a place where the family can gather and enjoy their meals.

Overstuffed—Prepare the sandwiches by making them in cold water, to which a little of the water from the sauce is added. Use a heavy paper or wax paper to wrap them. When cold roll in strewn powder. Fry a whole lot at a time. Turn gently over and over until golden brown and drain on paper.
