Thanksgiving Day

is just two weeks from to-day

We have many things to be thankful for this year. Just look about you and you will find your blessings are many.

Do you remember the old lady who had a back-ache? She was thankful that she had a back to have it in. It is not hard to find things to be grateful for if you try.

THANKSGIVING DAY

is our one annual feast day and this year let's make it a real one.

Look over your utensils. Be sure that you are prepared to do yourself justice in the making of this feast.
