It will banish all "Thanksgiving" ill and you'll come back feeling like "the world is your oyster."

PRACTICAL DIPLOMACY
 Secretary of State Hughes, began the morning session of a certain diplomatic conference by saying that the United States is a country of laws and that the laws are the same for all. He said that the laws are the same for all and that the laws are the same for all. He said that the laws are the same for all and that the laws are the same for all.
