**AS WE SEE IT**

The Editor has just received from the High School a copy of the Long list of names of the students who have been elected to the office of the Student Body. The list is a long one, and it is a pleasure to see the names of so many of our own people. It is a credit to the school and to the community. We hope to see many of these students in the future.

When Mr. Schindler asked for the city, we were glad to see the list of names. It is a credit to the school and to the community. We hope to see many of these students in the future.
