## Don't be the Goat

The customer is the Goat when he bites at one or two specials sold at cost and then pays a big profit on other items.

The customer is the Goat when he tries to The customer is the Goat when he tries to buy a food product of National Reputation which has been advertised at a price below cost only to receive the answer "Just sold out" and then buys a substitute product at a

To advertise a well known product at cost and then have on sale only a very small a-mount is an old, old stunt.

You Will Not be Sorry if You Trade at
