Every share of Southern California Edison Company Stock pays its owner 8 per cent dividends with check-like regularity. Financial analysts record that the value of this stock has risen consistently for the past several years.

Because the Southern California Edison Company is a substantial institution whose growth and prosperity is directly proportionate to the growth and prosperity of the State of California, money invested in it is a very safe and safeguarded against any chance of loss, but is assured of an annual return of almost eight per cent.

## Give Us the Contract

If you are putting up a new building—or if you are going to remodel your house, be sure to let us figure on the plumbing work.

We have had considerable experience in handling big jobs and we know how to buy material to save you money. You will find our work to be extremely neat and we do all work quickly and accurately.

We will gladly figure on small jobs as well as big ones. And we do repair work, too.

**Advertisement for beer**  
 The beer is in the market and  
 both as welcome as the flowers in  
 the garden.

The brand here is entering in  
 the market of the city through  
 Owensmouth.

Each year their numbers increase  
 and to us as well as to you, and  
 each year with an exception of a few  
 which are in rapidly increasing  
 trade, the number of orders is  
 gradually increasing and that place  
 which does a place business.
