See Our Greeley
Spud Sorter

In addition to **cash** at the car, we
you have.

We will pay you as much as anyone

We are a local concern---we live here,
for the Valley and do an exclusively Valley business.

We are anchored here firmly; all we have is
invested here; you know us and all about us; we
pay **cash** at the car, take all the potatoes you have
for sale, pay as high price as anyone, **dealsquare
and above board, and so**

*We feel we ought to be given the
Potato Business of our
own home Valley*

We are asking no favors, no concessions---nothing but a chance to bid on
your crop. Isn't that fair? Isn't it entirely in the line of working together
to upbuild our Valley? We always have and always will be found
actually co-operating with you in everything that will benefit the pro-
ducer, get him a better price and market, and promote the prosperi'y of
the Valley.

**These are the cold facts:---We pay cash at cars;
We are here to stay; We handle Valley products
exclusively; We pay as much as anyone and we
want your business.**
