THE UNIVERSAL TRACTOR

Henry Ford

HENRY FORD was 35 years getting ready for the new price on the Fordson. He started as a farm boy, planning to get rid of the ordinary, long hours and low money return that has always faced the farmer.

He wanted to furnish you with a tractor that would not only do your work better and faster, but at lower costs—and the 170,000 Fordsons now in use have proved that he has accomplished these things.

What you get in the Fordson for \$265 f. o. b. Detroit is the greatest farm power unit ever offered.

Let us show you how a Fordson will cut farm costs, increase your bank account and take the droopiness out of farm work. Write, phone or call.
