"Eat Meat and Be Strong

That was the advice of Dr. Koch, one of the most famous scientists the world has ever known. He recommended meat and the juices obtained from it by various methods of cooking, for well people to keep them well, and for the ailing to give them strength and vigor. When you seriously limit your meat ration, you limit health and strength propor-tionately....if the meat is good, fresh, wholesome meat such as may always be found at
