THIS WEEK'S PROGRAM

We will have a Club Assembly with Vice-President Len in charge. This should be an interesting program as Len attended the Club President's breakfast a couple of weeks ago and will have news from Governor Leon Edgar and other Club Presidents. Club Assemblies are vital to any Rotary Club so let's have 100% attendance.

THE WEEK THAT WAS

Mr. Anthony C. L. Bishop had an outstanding program on heraldry. He brought a guest with him, Mr. John Snideg.

Pierpont Briggs sold the raffle tickets and won the \$5 himself. (Well, at least Harry had somebody else draw the winning ticket!) George Vincent won a kingsize bottle of after shave lotion donated by Robert Boggis, our man this year in charge of the Fellowship and Magazine Committees.

Wes Nordfelt celebrated his birthday on the 26th without our singing to him. How about that, Len?

Most all of our members volunteered to help at our Luncheon last Saturday.

OUR YEAR

This should be the greatest year in the history of this district and it will be if each of our members lives Rotary during this the 60th Anniversary year of Rotary International. Live Rotary by sharing Rotary. Live Rotary in every business relationship. Live Rotary through your community leadership and Live Rotary through our world fellowship. This is the program of Rotary International's President, Charles Pettengill. The challenge that distinguishes Rotary from all other organizations has been made. Rewards are in direct proportion to the efforts. Rotary is a way of life motivated from one's self. If it is said: "I am only one and can only do the work of one, but through the grace of God, let me do that." — from R. Leon Edgar, District Governor.

MEET TOM CRAIG

One of the ardent workers on our International Service Program is Tom Craig, that committee's chairman.

Tom has been a member of our Club for three years, yet is

one of our youngsters, having been born February 4, 1930 in the Bluegrass State.

Tom spent two years at Bellarmine College in Louisville, Kentucky studying accounting. He then had two years of military service during the Korean War.

After being an industrial accountant in Louisville for four years, Tom came to California and was the Supervisor of Accounts Payable at Rocketdyne for another four years. After seeing all those figures for so long, Tom must have decided it would be to his advantage to get his own liquor wholesale, because he bought the Country Squire Liquor Store in 1959!

Ginnie became Tom's wife in 1954. These two are blessed with seven children. Tom says his hobbies are golf and horse racing (and your Editor would like to add Politics!).

AROUND TOWN

Our Happy Birthday Boy for this week is Dean Beisner on July 30. Let's not forget to sing, Len — we need the money! Barbara Hultman should be home in a week or less after her ulcer operation — we're so glad she's on the mend! Your Editor would like to collect at this meeting your personal information sheets so that he'll have something to write in the Rotochat. The Editor of the Scandal Sheet sent a nice thank-you letter for our Club's 100% subscription and added a little story of his own to make the point that there is something every member can do for Rotary: A little man walked up to a big man and said, "If I were a big man like you I'd go out in the woods and kill me one of those great big bears." The big man smiled and quietly replied, "But there are some little bears in the woods, too." Some of Roy's and Dale's old movies have been released for Television and are being shown at 4:30 on Saturdays. Don't know about that Roy — last week he didn't even kiss the girl!
