THIS WEEK'S PROGRAM

We will be dark today.

Ray Hultman, our Attendance Chairman, says that anyone that missed our Annual Picnic at President Clif's should definitely make-up. We're still trying for that 100% attendance and that Thursty Harshman award!

THE WEEK THAT WAS

A film, "The Land of White Alice", was shown by our own Rotarian, George Lorbeer, on our own projector! It was a beautiful film on our 49th state, Alaska.

Hank was our big prize-winner last week. Jim Nessheim won Fred Gruneck's second prize donation. Mike Ragusin won another special third prize — four tickets to a pancake breakfast sponsored by St. John Eudes Catholic Church to be held Saturday, September 26 at Hughes Market. Tickets are available from Tom at the Country Squire Liquor Store — a deductible donation even if you aren't able to attend. (By the way, your Editor would like to appologize for misunderstanding the name of Eudes, which he published as Hughes in the last Rotochat.)

Griff McKeeby informed us that we bloody well had better get on the ball and recruit some donors for our sponsored Bloodmobile which will be here at the Chatsworth American Legion Hall between 3 P.M. and 8 P.M. on November 27.

President Clif asked that all perfect attendance pins be turned in.

IMPORTANT DATE CHANGED

The last issue of the Rotochat erred again!

There will be a regular noon meeting on October 7 with Governor Leon Edgar.

There also will be a special evening committee meeting at President Clif's home on October 6 with Governor Leon:

SUCCESS OF ROTARY

Rotary must have something worthwhile, or it would not have survived these many years or spread round the world as it has. What is it that draws these men together to form a Rotary club? Why does Joe the shoe repair man, Farouk the banker, and Saleh the salesman, take one night a week from their leisure to attend these meetings?

I don't think there is any single thing that makes Rotary successful; it is a com-

bination of things. Take the satisfaction of helping an individual or group by lending a helping hand in time of need, or the enjoyment of discussing public issues with your friends.

The success of Rotary stems from the pride a man feels in belonging to a closely knit organization, sharing in the spirit of working together, and accomplishing tasks that will serve the community. . . . Clipsheet.

SCUTTLEBUT

It's great to see Ray Hultman back at our meetings — we understand that Barbara is on the mend, so much so that she had some beer and cheese cake — but they don't mix, Barbara!

Monty, Marie, and the kids went to Lake Isabella for a short vacation. Monty just went boating, but the kids fished. Don't they sell fishing licenses to Doctors, Monty?

V. P. Len tells us that the pups have all been spoken for — he's even sending two to Connecticut. There's even a rumor that one pup is going to Clif and Susie. The combination of Roy's Bullet and Len's Carlotta proved to be a great success. Speaking of dogs, your Editor says he's going to send his dog, M'Goo back down to Bob Kinsman's to do what he may, unless Bob trims the branches from his Mulberry tree on the corner of Tulsa and Farralone.

Doug and Louie stopped by Las Vegas on their vacation in order to visit former Club President Gay Minardi and Pat. Here's hoping they had better luck playing Keno than some other people we could mention.

Recent golfing enthusiasts have been Mike and Roger. And speaking of Roger, whatever happened to that bowling team?

Ted Todd will be the chairman in our community of the United Way Drive — a one-day Drive for many charities, on October 14. Let's all us Rotarians assist Ted on this project with the other merchants in town.
