

CHATSWORTH HISTORICAL SOCIETY

Newsletter - February 1967

Dear Members and friends:

This months meeting is scheduled to be held this coming Tuesday night at 8 P.M. in the community room of the Wilshire Federal Savings and Loan Association. For the program portion, Ebert Chatham our vice president and program director, has scheduled the Pacific Telephone and Telegraph Company's slide and narrative presentation on the history of the San Fernando Valley. I especially urge all members to attend this excellent program.

Each member bring a guest. No one who has an interest in Valley history should miss this repeat performance from last year. The program portion is to be held first, allowing those who do not care to stay for the business portion of the meeting an opportunity to leave. Agenda for the meeting will be as follows:

Call to order and pledge of allegiance
Welcome and introductions
Program
Recess - refreshments
Reading of minutes
Treasurers report
Correspondence
Committeereports
Officers reports
Old Business
New Business
Adjournment

Hostess for the evening is Louise Mitchell who plans refreshments in the patriotic tradition.

At long last! Another important milestone has been reached in our effort to rehabilitate the Chatsworth Historical Monument. New shingles are being installed this week to complete our re-roofing project. Our rehabilitation committee headed by Frank Schepler is now in a huddle coming up with recommendations for the next series of milestones to be accomplished. The Society has received another boost from the Chatsworth Womens Club- in the form of a \$100.00 check- for continuation of our monument rehabilitation effort.

Sincerely
Garvin Aulepp, President
