

THE SMOKE SIGNAL

Chatsworth Historical Society - March 1970

March is our birthday month and Chatsworth will be 82 on March 10th. At our regular program meeting, March 18th at Glendale Wilshire Federal hospitality room, come help us celebrate by cutting a birthday cake for our towns colorful years.

MARCH MEETING

A special lecture on antiques will be given by Iolene Cleveland, a member of our society. Mrs. Cleveland, a teacher at Chatsworth Elementary School, gives her special lecture for our society as a fund raising event and a dollar donation will be appreciated.

Mr. and Mrs. Cleveland are inspirational to others in their antique collecting and they are always going many interesting places to find their treasures.

Please come and hear Mrs. Cleveland's fine program and help a very needy project.

APRIL MEETING

We are still planning to see Celia and Jim Woodman's pictures of their recent trip to the Orient in April. Watch for further details.

MONUMENT

As soon as it gets warmer we will be able to paint the inside of our church. Get your brushes in shape and away we go.

WAYS AND MEANS

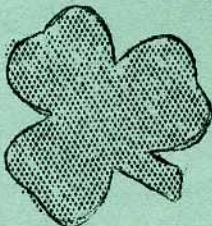

Our ways and means chairman, Celia Woodman, is still planning a chicken dinner. There were too many other things in February and hopefully we can have it in April.

TREASURERS REPORT

Eileen Janess, our treasurer, reports as of February:

Monument fund -----\$1632.35

General fund -----\$257.49
