MARCH 16 MEETING

The March meeting will be held on Tuesday, March 16, at 8:00 at the Glendale Federal Savings hospitality room. It will be a nostalgia meeting with a glimpse into a Chatsworth past. We would like everyone to bring a few slides or pictures of a time of Chatsworth that has passed away. We will have a projector and screen set up so that they may be shown. Also any papers or artifacts that you might have pertaining to this. We hope you will all be able to come and participate in a small glimpse of a long ago Chatsworth.

PRESIDENT'S MESSAGE

Dear Members and Friends:

We have set our goal--that of completing the church so that we can get final inspection.

At the board meeting we discussed the completion bond again, it is due again and the only way we can avoid paying the \$200.00 annual fee is to promise to complete within a year and accomplish it.

We are all anxious to complete the monument and so discussed leaving the windows clear glass until we can afford stained glass and leaving any fancy decorating until later. Some of the interior can be finished later.

If we all get together for one last big push I think we can accomplish our goal.

Last month in handing out thanks I forgot to mention our hard-working treasurer who handled all the extra details of book work that went with our antique show plus taking tickets and getting change. Thanks Eileen Janess and thanks to Chuck also for all his help.

See you all at the birthday party!
