MINI-PUFF - This will be a quickie-issue of our newsletter--a sort of mini-puff as our former editor Colette Parsons was want to remark. It is just to keep you informed of up-coming events.

Your executive board met July 16 at Glendale Federal and set a few dates to mark on your calendar. Our meetings will be held the same as usual on the third Tuesday of each month with the following exceptions this year:

We will have a planned potluck on Sunday, Sept. 28 to start out our year. You'll hear more about it later, but please save the date.

Our Christmas party will be held on Sunday, Dec. 7 so that our plans won't interfere with any other organizations events and so that our members will have more time for their own year-end activities.

Save Sunday, April 25 for it is the day we plan to have Open House in our church. It is our bicentennial celebration. (There will not be an April 20 meeting.)

Our board meetings will be held the first Tuesday of the month, possibly at the Glendale Federal Savings Hospitality room.

SUGGESTION - It was suggested at the board meeting that each of us make a colonial costume (patterns are available now) to be worn at bicentennial events throughout the year.

\*\*\*\*\*

BROCHURE - We will re-issue the brochure describing our society and listing our meeting dates and our officers. Chuck Janess suggested an additional invitation to join our society be issued as part of our yearly membership campaign. He is checking into the possibility.

PLEASE RETURN any publications, books, brochures, or notepaper to Lillian Schepler so that we can know what is available and what has to be re-ordered.

VOLUNTEERS ARE NEEDED for providing refreshments for the meetings and to provide the displays for our hobby corner. Let us know about your collection or whatever. Contact Lila Schepler about hobbies (we don't have a chairman yet--how about you?) or Lillian Schepler for refreshments.

MORE VOLUNTEERS ARE NEEDED for the fair and folklorico Aug. 6 through Aug. 10. As a society we will be setting up and manning the historical booth taking turns with other societies. WE will be working Aug. 6 from 5 p.m. to 9 p.m.--that is opening day. If you can help please call Lila Schepler and let her know.

ORGAN NEEDED - Please pass the word around that we will be in need of an organ when our church is finished. Perhaps someone has an organ that they no longer use or have space for and they would donate it to our society for our little church. Let Fern Jack know if you know of anyone who has one they might possibly give us.
