### President's Message:

Dear Members & Friends:

An eventful year is coming to a close...this will be my last message to you as president. The election has taken place and a new president and executive board has been chosen. Congratulations to Jane Matthews and the new group! The installation party will be May 17 at Glendale Federal and we'll just relax and party for that event.

We have celebrated and will continue to celebrate Chatsworth's 100th birthday and our Silver Anniversary is behind us. It was a lovely day, the weather was perfect and the bus was comfortable and it gave us all a chance to visit with each other while providing an out-of-the-ordinary experience for those able to attend. The Getty Museum was as spectacular as ever and the treasures beautifully displayed as always. Thanks you John & Zena Thorpe for arranging the trip.

Our next event is the Centennial Pioneer Day on Saturday, May 14 which we are hosting in cooperation with the Centennial Committee at

at the Homestead Acre from 11 a.m. to 5 p.m. I hope everyone will come out and make it a great success.

As I said it has truly been a memorable year and I'd like to thank all the members of the executive board who have helped to make this such an outstanding year. Each board member has given a heaping measure of service to the Society and to the community. It was our old-fashioned team work that will carry us forward into the next year.. Thanks again to all of you for making it a memorable Centennial and Silver Anniversary Year! *Virginia*
