THE JANUARY 15TH MEETING will be held at the museum at 7:30 p.m. Dave Holland will speak on the history of movie making in Chatsworth and he will also show slides. There'll be refreshments and a door prize so do plan to attend and reminisce about the days when movie and TV shows were made out our way!

WEDNESDAY, JANUARY 16th at 1:30 p.m. we'll inaugurate the new series of "Wednesdays at the Acre," when docents and board members will be on hand to welcome members and guests to informal afternoons that will combine some cataloguing, tidying and organizing of our artifacts and memorabilia.

We're hoping for input from those who attend who may have experience that will help the Society.

Refreshments will be served and we hope you'll stop by and join us.
