JANUARY, 1994

**"SHOW AND TELL"**  
is the theme of the  
Quarterly Meeting  
Wednesday, January 18 at 7:30 p.m.

Society members will present this month's program meeting. All who attend are invited to bring along an item of interest to explain to the audience. The interesting items do not have to be antiques or collectibles - just something you enjoy owning and would like to share. Some board members have already decided what they'll bring and these items include an old savings bank, Indian jewelry and a family Bible.

Also on the agenda is an item of real interest that Mrs. Ann McKeeby is donating to the Society along with a photograph of Civil War era memorabilia from her collection. In addition, Ken Levy will be honored by the Museum Council. Refreshments will be served and we hope to see you there.

## SOUTHERN SYMPOSIUM

One year ago CHS co-sponsored the annual Southern Symposium of the California Conference of Historical Societies at the Air Tel Plaza Hotel. This year the Southern Symposium will be hosted by the Garden Grove Historical Society starting Friday, February 25.
