President: John Thorpe

MARCH, 2000

Editor: Zena Thorpe

Due to overwhelming pressure and time constraints resulting from the California Sesquicentennial Event and Chatsworth Birthday planning, this will be a greatly abbreviated Smoke Signal. In fact it is just a small puff of smoke!

However, we want to invite everyone to come to the general meeting on March 21st., 7pm at the museum, to celebrate with us the completion of a massive project and, depending on the weather next weekend, we will be either celebrating with champagne or crying in our tea!! Oh! what the heck, let's have a party anyway! There will be wine and cheese and birthday cake and you can see the wonderful new display of Valley history set up in the museum by Robert Marshall of the Urban Archives Center at CSUN and Lara Bickell.

We also need you to come and vote on the society's officers for 2000 - 2001. The proposed slate is as follows.

John Thorpe
