Complete Coverage of Chatsworth & Santa Susana

Early Fiesta News

Plans are in the mixer and the finished product will be July 4th with a great big parade at 10:00 a. m. , booths, hoop-te-hoo minstrel show, hot dogs, games, celebrities, etc. etc. etc. at the Fiesta fair grounds at Aqua Sierra. With all that's being done by the executives in charge it promises to be the biggest thing that's ever hit Chatsworth, and if you don't have fun, it's your own fault. Line up your gang now for parties at home on July 4th and then take your guests out for the day, all on Chatsworth. There will be plenty of shade and parking space at the grounds, and for an added attraction you can even make the shooters nervous at Aqua Sierra by watching and kibitzing.

Books of 12 tickets for \$1.00 will go on sale June 1st by our girls (if you haven't signed up you've got a few hours yet - see Leonard Chenard at Paradise Shoppe) which are redeemable at the fairgrounds and the girl who sells the most books will reign Queen of Chatsworth for a whole day. The back cover of the booklet will be put in a box and there will be free gifts given away every hour on the hour.

Twin Lakes Water Supply

The condition that has existed for years has finally been brought to a head by the residents of Twin Lakes and some conclusion will be made within a matter of days.

Some 25 irate residents appeared May 23 before the Public Utilities Commissioners to demand action in providing clear, drinkable water either as a public utility or from the owner of the water rights, W. E. Lawrence.

At their hearing last week they brought samples of water that flows through their pipes; Mrs. Catherine Leverton of 21403 Wahoo Trail made the statement that she was without water for three weeks last fall and then got nothing but muddy water for another two weeks.

Leonard Green of 21434 Mayan Drive complained his water bill skyrocketed during the dry period because there was air instead of

time, send a letter to either Chuck Janess, Leonard Chenard, or Al Brain. Hey, Cooks on Variel Ave. , how about letting your monkey walk in the parade? If anybody has an old flivver, crank 'er up and give it a little air. A few clowns along the way would be most extraordinary. Just a few thoughts dropped along the way. See you later, alligator.

Hey, Boys and Girls!

Another Youth Roundup scheduled for next Saturday night at the First Baptist Church in Van Nuys -- same deal as last month. Louis Zamperini is co-sponsor of this roundup every month, so he'll be on hand if he isn't called someplace else; Rev. Hughes will be the dynamic song-leader, and a rip-snorter of an evangelist will be the speaker -- a young man 24 years of age but already an outstanding evangelist, Louis Rhoden, and his message will, no doubt, be terrific. Bring your friends and everybody here meet at our Baptist Church on DeSoto by 6:30.

We're getting NEW BOOKS on our lending library shelf all the time. We asked Dr. Hayward to pick up Louis Zamperini's book

"Devil at My Heels" for us, which he faithfully did, but he won't give it to us until he's finished reading it -- he says it's the greatest book of all times.

WELCOME!

Our new business, the Longbow Archery Shop on Topanga, is manned by two brothers (single too, girls), Dan (22) and John (24), sons of the Schultz's of Twin Lakes who have lived there now for almost 2 years. They're open for business now and they were going to have a Grand Opening next Saturday but their featured attraction, Howard Hill (world's greatest archer who has killed big game with bows and arrows in North America and in Africa, including three elephants), got bit by a rabid dog and is undergoing the Pasteur treatment, so there's a likelihood that he may not be there. Anyhoo, the rent goes on and with or without a grand opening, they're in business.

water going through the meter.

Lawrence said he would welcome control of his company by the Public Utilities Commission because many of his 64 customers have refused to pay their bills. He estimated unpaid bills at more than \$6,000 -- many of them not paid since 1949. Several residents said they would not pay until the water supply is made acceptable.

The Commission will make a thorough study of this situation and in 10 days time from May 23 Lawrence is to appear before the Commission on a hearing.

More on this later, but we certainly hope that the condition of the water will be greatly improved -- it is a terrible situation.

The Chatsworth CUB PACK held their regular meeting Thursday night at the school auditorium. The program was a pre-view of the clever circus stunt, which won them a second place in demonstration at the Scout Craft Fair Friday and Saturday, at Devonshire Downs. The boys, assisted by their Den

Mothers, put on a continuous performance Friday night and Saturday afternoon and evening. Their sponsoring group, the Chatsworth PTA, and parents and friends of the boys are very happy over their achievement. Many thanks to the leaders who give so much of their time!

THE INSTALLATION of the

newly elected officers of the Santa Susana Chapter of the DAR will be held on Monday, June 11, at 1:00 p.m. at the home of Mrs. Leslie Hadley. Mrs. John Champeau, state vice-regent, will be the installing officer. Officers to be installed are Mrs. Maynard Kurtz, regent; Mrs. J. C. Lippus, first vice-regent; Mrs. Minnie Lanahan, second vice-regent; Mrs. R. P. Boggis, chaplain; Mrs. Arthur Fink, secretary; Mrs. Annette Hughes, treasurer; Mrs. E. W. Hannel, registrar; and Mrs. A. Plews, historian.

A group of children from the Chatsworth school will put on a Flag Day program, and the principal, Mrs. LaVerne Lee, will give a talk on the American Flag. Mrs. Lee will be given a citation award by the Chapter for her outstanding work in the school.

On Tuesday, May 29, the Chapter awarded three medals for good citizenship to students at Sutter Junior High School.

THRIFT-D-LUX are so pleased with the response they received on their offer of free moth-proofing of woolen garments during the month of May, that as an added courtesy it has been extended throughout the month of June!

Faithfulness and loyalty are the attributes that can be affixed to every single individual living here in Chatsworth and surrounding precincts, and is manifested in their endeavor to patronize our own local stores and services wherever possible. That is what makes a community GREAT.

"The best way for a housewife to have a few minutes to herself at the end of the day is to start doing the dishes."

TEEN-AGE GIRLS: The Girls' Guild will meet at the home of Rev. and Mrs. Hughes tomorrow night at 7:00 p.m. (after dinner) for an election of officers of this newly organized group. The theme of the evening is "Social Security"

revolving around personality traits and problems. (Call DI 8-4996 for information as to joining this group) Bring your friends!

Chamber of Commerce

Our Chamber of Commerce has gone on record as approving the \$59,700,000 Airport Bond Issue which will expand the facilities of Los Angeles International Airport and the San Fernando Valley Airport.

At the next General Session on June 12, Jack O'Shea of movie and TV fame, will be installed as Honorary Sheriff of Chatsworth. We gotta maintain law and order in these yere parts, now, pardner! Jack will reign supreme at the Fiesta -- watch out for his six-shooter.

Warren M. DORN, mayor of Pasadena, and candidate for supervisor of the 5th Dist., was presented to a group of local citizens at Chatsworth Center, Tuesday night, May 22, and in an informal way presented his campaign pledges.

For as the rain cometh down, and the snow from heaven, and returneth not thither, but watereth the earth, and maketh it bring forth and bud, that it may give seed to the sower, and bread to the eater: So shall my word be that goeth forth out of my mouth: It shall not return unto me void, but it shall accomplish that which I please, and it shall prosper in the thing whereto I sent it.

Chatsworth Lake Highlights by GLENNA SCHRADER

One day a couple of weeks ago, DON E. MARTIN had an accident on his job for the Dept. of Water & Power in San Fernando. He fell off a scaffold and hit his head at the temple, on the end of a water spigot, also landed against a water boiler and was burned under the arm. He was at Sun Valley Hospital for 48 hours under observation and it was feared he might have suffered a concussion. We are happy to report, though, that he is back on the job. On the weekend of May 19, JOAN and HOPPY HOPKINS had as house guests, JOAN'S sister Alma Brown and son Norman from Long Beach. On Thursday May 24 they had as dinner guests Mr. and Mrs. Grover Graham of Canoga Park, and on Friday the 25th Joan visited her married daughter Yvonne in West Covina. A pretty busy gal, I'd say. On the sick list has been Thelma Ferguson and Grace Hageman Armstrong. Seems that old flu bug is still making its rounds. Those of you who are still wondering where that ambulance was headed on Sunday morning of the 20th--a man riding a motorcycle went off the North American Road and was critically injured. LEROY SMITH of Thompson Avenue is in Kaiser Hospital in Hollywood for an operation. The HERB TOWNSENDS and friends Dick Freemans and their families spent the weekend of May 19 at Point Mugu. On May 24, ROY EPKINS was cleaning his car when suddenly it flared up in flames (the motor)

and he was burned on both arms and face, and hair was singed. It was news to me so perhaps some of you haven't heard that ANN and BUD WALTERS, and PETE and CORKY BEHRLE, moved a couple of months ago to a ranch at Newhall. New residents in their former home are NOBLE and DOREEN HOVIAS and three children, Ricky (9), Mickey (8), and Timmy (3-1/2). They moved from Woodland Hills and Noble works at No. American. STEVE WELLS of Reseda spent a week with his grandparents Frank and Lois Morris, convalescing from tonsillitis. BUD and MICKEY MASON went on a fishing and camping trip with friends on the weekend of May 19, at Miller-ton Lake and Fryrt (?) Dam and caught ten fish. GEORGE STACEY'S dog (didn't get her name!) had a litter of Boxer Pups sired by Champion, who is owned by Gene Autry!

A large audience of parents and friends attended the piano recital at the Chatsworth Community Church Saturday night, when Mrs. R. L. JOHNSON presented her pupils in an enjoyable program of piano solos and duets. Appearing on the program were Donald Stricklin, Kathy Johnson, Gayle Cook, Carolyn Schepler, Mary Ann Allen, Gretchen Hollenbeck, Nancy and Cecilia Roatcap, Lettie Bernhard, Jeanne Woodman, Danny Grether, Judy Christensen, Karin Cruse, Jeanette and Virginia Kimble, Patty Maybin, and Edwin Iverson. A special guest on the program was little Jeffry Jones of Van Nuys who played two violin solos accompanied by Gretchen Hollenbeck, and one number accompanied by his mother, Mrs. Albert Jones. Another special guest was Mrs. George Cruse, who played two duets with her daughter, Karin.

Anne Sheridan, daughter of Mrs. Kate Sheridan, a sophomore at Mills College, played a stellar part in the 1956 "Aquacade" of the Oakland campus Swim Club. Anne

was the star performer in this, the college's annual Spring Water Ballet.

Mr. and Mrs. Alex Summers returned home Saturday from a two week fishing trip to Gold Beach where they enjoyed successful salmon fishing. Vacations are starting already!

"Last eve I paused beside a blacksmith's door... and heard the anvil ring the vesper chime... Then, looking in, I saw upon the floor... old hammers worn with beating years of time. 'How many anvils have you had', said I... 'to wear and batter all these hammers so?' 'Just one, said he; then said with

twinkling eye, 'The anvil wears the hammers out, you know.' ... And so, I thought, the anvil of God's Word.....for ages skeptic blows have beat upon..... Yet, though the noise of falling blows was heard.....the anvil is unharmed -- the hammers gone." *****
