WE WILL NOT ISSUE A GRAPEVINE NEXT THURSDAY ----- so we
take this opportunity to express the thanks of all of us for God, for
our country, for our government, and for our people--they're the
GREATEST!

* * * * *

The Giving of Thanks

WE'RE GRATEFUL for the explorers who were led, by God, to our
shores; and for those pilgrims who braved the seas to settle in an un-
known country and became the authors, through their faith in God, of
our way of life.

WE'RE GRATEFUL to God for his mercies upon us that we were
made, through no overt act of our own, a Christian nation, and how
He has blessed and guided us, as a nation, in our growth and prosperity.
WE'RE GRATEFUL that we may pursue our own way of living, and the
freedom of worshipping God in the way of our own choosing.

WE'RE GRATEFUL, as a nation, for the results of our recent elec-
tion; we feel secure knowing that God is blessing us in every way and
guiding us through the tumult around and about us.

WE'RE GRATEFUL for the sunshine of His love as manifested in our
daily lives - for the satisfaction of accomplishment in every task under-
taken - and for the joy of fellowship with all of His creation.

For these things which we can feel and see, accept our thanks, O God,
but we would not close without thanking Thee, O God, for thy unspeak-
able gift to everyone who will receive - salvation and eternal life as
given to the world by Thy Son, Our Lord, Jesus Christ. For Him,
whose name is above all names in heaven or on earth, we give Thee
thanks, O God, Father of all creation.

AMEN

A COMBINED THANKSGIVING MORN SERVICE OF ALL CHURCHES
IN CHATSWORTH WILL BE HELD AT THE COMMUNITY CHURCH
FROM 10:00 to 11:00 A. M. COME FOR A SPECIAL BLESSING!!!

Two Lovely Weddings

At a beautiful service held in the Reseda Community Methodist Church last Friday at 8:00 p.m. Delores Finney, daughter of Mr. and Mrs. Harold Finney of Reseda, was joined in holy matrimony to Ronald Keith Ramage, son of Mr. and Mrs. Orval Ramage of 10446 DeSoto, residents here of more than 16 years standing.

The bride was gowned in white lace over tulle, finger-tip veil crowned with a small tiara, and carried a white orchid with stephanotis. She was attended by the matron-of-honor, her sister Doris Straw and three bridesmaids, gowned in aqua, pink, yellow, and lavender lace over taffeta.

The groom was attended by his brother Stanley Ramage as best man, Victor Ramage, Cecil Woodall, and Gordon Jones.

The bride's mother wore a gown of pink lace with white accessories, and the groom's mother wore teal-blue beaded satin with white accessories.

A reception at the church for the 150-200 guests followed immediately after the service. The newly-weds will make their home in Reseda, after their honeymoon in Santa Barbara.

Congratulations and best wishes from all of us.

Gowned in tulle and lace over satin Nancy Louise Albrecht became the bride of Laurence Wayne Friesz, in afternoon rites at Our Lady of the Valley Catholic Church with Rev. John J. Hearly officiating.

The bride was escorted to the altar by the groom's father, William L. Friesz. The Friesz's make their home at 10151 DeSoto Street, Chatsworth.

Completing her bridal ensemble Nancy wore a headpiece of pearls holding a waist length veil of tulle and carried a white Prayer Book marked by a white orchid and stephanotis.

The groom's sister Mrs. Ted Swift, was matron of honor with Liz Horn, Lynn Porter, Betty Billings as bridesmaids. Pamela Ann Swift was flower girl, and Gerald Keith Swift served as ring bearer; Mrs. Hosley organist, and Mrs. R. Shirley soloist.

William Hogan attended as best man while Ben Bacon, Ted (cont. on page 11)

"BACK TO SCHOOL NIGHT" will be featured by the Chatsworth Elementary School PTA Tuesday, November 20, at 7:30 p.m. at the Chatsworth school.

For parents only, under the tutelage of the teachers will be a session of the three R's and Kindergarten curriculum.

Parents will arrive on time, just as their children do in everyday school life, and go to their respective classrooms. There they will have their child's name pinned on them and for the evening be recognized by the child's name.

After experiencing what goes on during a child's day a school there will be a social hour in the school auditorium. Hostesses for the refreshments will be mothers of the Kindergarten classes.

Mrs. LILA SCHEPLER is about again after a week's illness, which she has termed "Hallowe'enitis". Lila is assistant director at Orcutt Park and puts so much into her plans and work for the celebration there that it got her down for a few days.

A pre-THANKSGIVING DINNER was given at the home of Mr. and Mrs. Harold Frost last Sunday in honor of their son, Sgt. Ronnie and his wife, Peggy, and two children who are leaving for Andrews Base near Washington, D. C. next Saturday. Among the 30 guests were Mr. and Mrs. Bill Jones and Billie Jo of Lassen, parents of Peggy. Colored flashbulb movies were taken of this parting occasion which will bring to mind the joy of family and friends.

"Our Pilgrim Fathers offered humble praise... At every meal, regardless of the fare... Before them spread... Whether their tables held small bowls of maize... And little else, each said a grateful prayer... With low-bowed head.

"Today our marts have marvelous supplies... Of foods of every sort as well as flowers... To grace our boards... Then should we not like Pilgrims voice our thanks... E'er we partake, and own what now is ours... Was first the Lord's?"

IN THE PAST TWO MONTHS fires have been deliberately started on the Asbury property west of Santa Susanna Avenue by someone who, as of this writing, has not been captured. The person has been sighted but not apprehended. Everything has been completely burned to the ground except the main house and an attempt was made recently to set fire to it by igniting the mattress in the children's room which was, fortunately, unoccupied at the time. The Asbury's daughter Kay is bedridden with rheumatic fever and because of these terrible fires, has had several relapses, and was taken last Thursday to the home of her grandparents, the Leslie Johnsons, in Lancaster, for complete rest and relaxation.

The ED HAUSER's garage in the rear of their home on Owensmouth was completely burned to the ground last Friday, causing considerable loss in precision machine shop tools and equipment.

Fires have been the chief threat and topic of conversation here this past week. On Tuesday several small scattered fires flared up on several streets in the morning, and about two in the afternoon a series of fires, just a few minutes apart, started east of Stony Point, along the railroad above the Asbury ranch, back of the H. M. Ditto home, and near the short tunnel on the railroad. The wind was blowing hard and but for the quick response of the fire departments, much damage might have been done. While one of the departments was still on these fires another call was received to go to Circle Drive at Chatsworth Lake for another fire and other small fires were discovered near the Walter Lohman Ranch. Fortunately, no homes were damaged.

Last Sunday afternoon a little girl fell from Stony Point and was taken to Northridge Hospital. In checking with them we found that her name is Joy Snow, 11, of Sepulveda. She is still at the hospital.

...with thankful hearts

O come, let us sing unto the Lord: let us make a joyful noise to the rock of our salvation. Let us come before his presence with thanksgiving, and make a joyful noise unto him with psalms. For the Lord is a great God, and a great King above all gods.

When we pray and our prayers are answered, how often we forget thanksgiving. The enemy of your soul and mine steals in again at the door of an ungrateful heart. God is pleased with no music here below so much as with the thankful songs of His children. Prayer goes into God's presence to take something away, but praise and thanksgiving go into His presence never to return.

It's good to be home again after that sojourn to the hospital but just to set the records straight, the tumor turned out to be a hernia. Am enjoying a much needed rest.

Roxy Bennett left on Wednesday November 7 for Eugene, Oregon, to visit two sisters, and stopped off on the way at Myrtle Creek, Oregon, to visit former residents Mabel and Bill Proctor. Expects to be gone a couple of weeks.

More activity at the Bud Mason home this week, on Wednesday night, the 7th, Tessa had another Tupper party combined with a toy demonstration. Guests were Madeline Mason, June Kveum, Maxine Briggs and her sister-in-law, Ann, Fritzie Snow, May Arell, Della Belkowski. And then on Thursday the 8th Dan Mason celebrated his tenth birthday with friends, David Briggs, Mike and Tom Harley, Arney Snow and Kenneth Grider. And to top things off the family took off for Visalia for the weekend to visit Tessa's folks. Guess she was due for an outing after those two parties.

During a flood in the Kentucky lowlands, one family sent its little boy to stay with an uncle in another part of the state, accompanied by a letter explaining the reason for the nephew's sudden and unexpected visit. Two days later the parents received the telegram: "Am returning your boy. Send the flood."

On Friday the 9th of Nov. when little Barbara Clinton was on her way home from the store, two vicious dogs which have caused considerable anxiety in the neighborhood in the past, took after her nipping at her heels and finally bit her seriously on the leg. A deputy from the Sheriff's office was out and let's hope this situation will be taken in hand once and for all this time.

On the weekend of the 9th Irene and Ward Devereaux entertained house guests, Ward's brother Roger and wife Mickey and their two sons Tom and Jerry, from Manhattan Beach.

On Saturday November 3 the Paul Ennis family attended the wedding of Mary's mother, Kathleen Masters to Ernest O'Rourke at the St. Bridget Church in Los Angeles. Mary was matron of honor.

A tourist stopped in front of a little country store, dumfounded at the sight of an enormous display of salt piled high on the premises. Stack after stack. Boxes, barrels, bags. Tons of salt, inside the store and out. "You must sell a lot of salt", exclaimed the tourist. "No, I don't sell much", replied the storekeeper. "But you shoulda seen the guy that came here last week. He could really sell salt."

Eight-year old Ricky Long of Whittier was bitten by a dog at Corriganville Sunday, November 4, shortly after 4:00 p.m. If the dog is not found by November 18 he will have to undergo the painful Pasteur treatment. All the boy can tell is that the dog is brown and white, and that the woman with the dog slapped it when it bit him. The father's name is Earl Long, 7828 Broadway, Whittier, OXbow 5-8462. If the dog belongs to someone local it will be much appreciated if the boy's Dad will be contacted, or call Mrs. Robert Brazelton, Diamond 8-2804.

Mr. and Mrs. MARREL JOHNSON and grandson, Aaron McKinney, of Merced, were guests of Mr. and Mrs. R.L. Johnson Wednesday, Thursday, and Friday. Mr. Johnson, another of the members of the pioneer Johnson family, grew up in Chatsworth and visited other relatives and friends while here.

Mrs. FERN JACK of Nordhoff St. is hobbling around with a broken toe, having stubbed it on a piece of furniture.

Mrs. Kate Sheridan, president of the CHATSWORTH WOMAN'S CLUB, was hostess for a coffee hour at the club rooms Wednesday morning honoring Ralph Holmes, local artist, whose pictures have graced the halls of the club rooms for several months.

The ladies gathered around informally and listened to Mr. Holmes tell how he became interested in the study of art and how he pursued the study through the years. He gave the World's Fair in 1893 as the date when our country became interested in cultural arts. The son of a Methodist minister, he had to work his own way, and worked out several trips to Europe where he studied art. He happened to be in France when the Mona Lisa was stolen.

Mr. Holmes has been a resident here for many months, and scenic beauty in this vicinity is the subject of many of his pictures.

THE SENIOR MYF of the Community Church, through their Citizenship Department, performed a fine civic duty when they prepared a large number of

posters, some humorous, some serious, but all designed to encourage people to get out and vote. Storekeepers and business houses cooperated nicely by allowing them to place the posters in their places of business.

Mrs. WINNIE VERE BOND, 63, of 9815 Shoup Avenue was laid to rest last Tuesday in Oakwood Cemetery, Dr. Hayward officiating at Lorenzen Mortuary and the final resting place. Mrs. Bond was taken to the UCLA Clinic in Westwood on Monday evening and passed away last Thursday evening. She leaves to mourn her passing her husband A. C. Bond, daughters Jean Vandervort of L. A.; LaVerne Hawkinson of Maryland; and sons A. Edward and Wm. J. Bond of San Francisco, and four grandchildren. Mrs. Bond was a most delightful and accomplished person and her many, many friends mourn her departure from this world.

TEENAGE DANCE next Saturday night, the 17th, at the American Legion Hall from 8:00 to 11:00 p.m. -- please be sure to pick the children up on time. The teenagers have a great time but more cooperation from the parents on chaperoning and refreshments is urgently needed. If you are interested in helping please answer the letters that

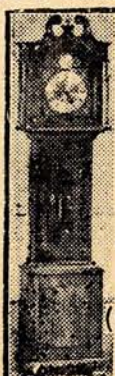

were sent out. The committee would like to have your comments, parents, on whether or not you approve of this activity for your son or daughter.

Attachment to Christ is the only secret of detachment from the world.

KNOWING THE MANY HOMES that receive the Chatsworth Grapevine and the number of people that read it, Mrs. RUTH WILLIAMS of Independence Street would like to use this medium to thank all of her friends, acquaintances, and others who remembered her in their prayers, who sent flowers, cards, and gifts during her recent illness. The third and we hope the last complication is lobar pneumonia from which she is recovering nicely. Again, a million thanks!

The Woman's MISSIONARY SOCIETY of the First Baptist Church again is meeting this morning (Thursday) for their monthly business meeting at 10:30 a.m. followed by a luncheon at noon. Special speaker of the day is White Cross Director Mrs. Trombower. A nursery attendant is provided at each of these monthly meetings, and you are urged to take advantage of this service.

Swift, Harry Rhine served as ushers.

The bride is the granddaughter of Mrs. Rose K. Smith of Hollywood.

Following the rites a reception was held at Chatsworth Community Center where the couple cut a 4-tier cake. They departed for a honeymoon trip to Palm Springs headquartering at the Casitas Del Monte.

The bride and bridegroom both graduated from Canoga Park High School. They are now residing in Woodland Hills in their newly-purchased home completely furnished in Early American decor.

Just in case you have any news items to call in, the WEST VALLEY LETTERS Grapevine office will be closed Thursday and Friday (as well as Sat. and Sun.) November 22 and 23.

OMNIPRESENT

He was just a little lad, and on a Sabbath day was wandering home from Sunday School, and dawdling on his way. He scuffed his shoes into the grass; he found a caterpillar; he found a fluffy milkweed pod and blew out all the "filler". A bird's nest in the tree o'erhead, so wisely placed and high, was just another wonder that caught his eager eye.

A neighbor watched his zig-zag course and hailed him from the lawn, asked him where he had been that day and what was going on. "Oh, I've been to Sunday School." (He carefully turned the sod and found a snail beneath it.) "I've learned a lot of God."

"M'm, a very fine way," the neighbor said, "for a boy to spend his time. If you'll tell me where God is, I'll give you a brand-new dime." Quick as a flash his answer came, nor were his accents faint, "I'll give you a dollar, Mister, if you'll tell me where God ain't."

Mr. and Mrs. JOHN PAULY and four children, who have been residents of Chatsworth for over eight years, left Wednesday for Wasco where they will make their future home. Mr. Pauly is manager of the Armstrong Nurseries who recently sold their holdings here and moved to their new location in Wasco.

The family has been very active in church and community life and were honored with several affairs before leaving, receiving gifts from each group as a token of remembrance and in appreciation of their faithful service in all these groups. Their leaving is a real loss to the community.

The BAZAAR and Turkey Dinner held last Thursday was a tremendous success, although the actual figures are not available as yet. Nevertheless, what ere the figure, grateful thanks go out to everyone for their cooperation and participation in making this year's event the greatest ever. Many, many thanks to Peterson's Dairy for donating all the milk, to the Patio for their contribution, and to Don Paul of Valley Irrigation in procuring 15 turkeys from an account of theirs at a most reasonable figure. Actual proceeds will be available in our next issue.
