Camping Trip

The Chatsworth Boy Scout Troop # 26 enjoyed a camping trip in the LittleTujunga Saturday night and Sunday. They had the interesting experience of being there during a two and one-half inch fall of snow, the first snow that some had ever seen. They got a bit cold some of the time but report it a wonderful time in spite of that. They ran into a small landslide on the way down that they had to dig through to get out.

The twelve boys were accompanied by Scoutmaster Carl Henne-man and committman, Wilbur Todd, H. M. Ditto, and Frank Stricklin, Jr., assisted in the transportation of the camping equipment and supplies to and from the camp.

The boys were indebted to the Peterson Dairy for providing all the milk for the camping trip.

A board of review of the committeeman and the Scoutmaster and his assistant, Mr. Stricklin, was held Monday night to pass on the awards for the Court of Honor to be held Monday, Feb. 4, at White Oak Hall. The troop is sponsored by the Methodist Men's Club.

Cub Scouts 226

The Chatsworth Cub Scout Troop held their Pack Meeting Thursday night at the school auditorium when the awards were made to Jimmie Porter, Wesley Twombly, Dennis Townsend, Harold Miller, Mike Freeman, Mike Kirby, Nyall McGinnis, Kurt Johnson, Kenny Eckardt, and Loyd Ewalt.

Jerry Stricklin received his Lion Badge and Conrad and Maynard Lauritzen were given their Webelos Badges.

Conrad and Maynard and Bill Luce graduated into Scouting. They were presented by Cubmaster Louis Haselfeld, and were received by the assistant scoutmaster, Frank Stricklin, Jr. Sam (Rusty) Ewalt received his year pin for serving as den chief for a year.

The Cubs are sponsored by the Chatsworth Rotary Club.

Chatsworth Youth Foundation

Are you accumulating papers for our Youth Foundation paper drive? Good! Deliver to 21032 Devonshire or if pickup service is needed call DI 8-4114. This paper drive will continue through the month of February.

TWIN LAKES is still having water troubles. Last July the privately-owned water system was declared a public utility but the quality and quantity of the water is still a major issue. On the basis of a recent investigation by the State Public Utilities Commission it was recommended that one well be rehabilitated, a booster pump be installed for a 34,000 gallon reservoir, and chlorination equipment be installed at three wells. Our people up there in Twin Lakes have a major problem!!

The L. A. CITY COUNCIL, through the instigation of our councilman, Bob Wilkinson, passed a resolution the other day commending and honoring one of our own residents, namely, CHUCK JANESS of Janess Trucking and Transfer on Devonshire, for his efforts in promoting the best interests of our community. Think of that -- remembering one of our boys way out here, in the farthest corner of the third largest city in the United States. Just goes to prove that your good deeds will be known thruout the land.

Northridge-Chatsworth 4-H CLUB will hold its regular monthly meeting February 1, Friday evening at 7:30 p. m. at Chatsworth Center building. Special guests will be the Mariner Girl Scouts of Chatsworth who will be accompanied by their leader, Mrs. Charles Janess.

Demonstrations will be given by Pinkie Garman, Christine Barber, Judy Watson, Christie Fortune, Robert Newman, and Karen Porter.

There will be a showing of the color film, "The Nevada County Irrigation District". Chester Perry, Farm Advisor, is to be the speaker, and his topic will be "Sheep Management".

At the recent meeting of the L. A. Chamber of Commerce, Gary Avey represented the 4-H Clubs of the County.

HONORABLE MENTION:

Members of the CHATSWORTH WOMAN'S CLUB enjoyed a special treat at their business session Tuesday when they heard a travelogue, illustrated by interesting slides, presented by Mrs. Elva C. Smith, a member of the club. The pictures were part of the collection which she and her husband Dukes, took in their six-month European tour last year. Mrs. Smith was presented by the program chairman, Mrs. Robert Cooley. On display was an unusual set of ceramic chessmen, made by Mrs. Smith.

The program preceded the business session conducted by Mrs. Kate Sheridan, the president. The usual spring philanthropy donations to the Heart Fund, the American Cancer Society, the March of Dimes, and the Red Cross, were voted.

Letters of appreciation were read from the Chatsworth Legion Post, the Sepulveda Veteran's Hospital, and Olive View for the gifts and help received at Christmas from the club.

Mrs. John Newman, a new member, was presented to the

club by Mrs. Arthur Young. A buffet luncheon was served by Mrs. Russell Hall and her committee before the program.

On the Friday after the meeting, the club members and guests enjoyed their annual dessert card party at the club rooms. It was very

well attended and all were gratified with the financial returns, which will go into the philanthropy fund. There were many lovely door prizes donated by the club members. Mrs. Percy Keith, the Ways and Means Chairman, was in charge and was assisted by various committees of the membership.

Snow Trip-New Officers

This weekend will find the young people of the Baptist Youth Fellowship at the annual winter conference at Forest Home. From where we sit it looks like plenty of snow will be available--enough to give them their fill of the stuff for awhile! Plans are to leave the church at 2:30 p. m. on Friday, returning home on Sunday afternoon in plenty of time to attend the evening service at 7:30.

At the regular Sunday evening meeting last Sunday the following officers were elected to serve for the coming year:

President, Mike Lauritzen;
Vice-President, Sally Alward;
Recording Sec'y, Tana Lauritzen;
Corr. Sec'y, Varita Johnson;
Treasurer, Dick Kranzler;
Newspiration Editor, Ann Lauritzen;
Program Chairman, Sheryl Rosene;
Christian Faith Chairman, Freda Johnson;
Christian Witness Chairman, John Straka;
Christian World Outreach Chairman, Wally Lohman;
Christian Citizenship Chairman, Judy

Hutchinson; and Christian Fellowship co-chairmen, Mike Dickson and Rita Fowler. Congratulations, kids, in your new offices!

Our little DIANE COWLE, 11, of 22300 Lassen Street, is a gallant trouper. She suffered a head concussion in a fall a couple of years ago and since then has been intermittently subjected to headaches and fainting spells.

Since last Thanksgiving, however, she has been under extensive doctors' care and is now awaiting a bed in UCLA's medical center for possible neuro surgery. She is bedridden at home and cards and notes from her friends in the 6th grade would be most appreciated to while away the long hours.

A Little Thing

Only a smile—such a little thing—
That started a heart to think;
A single kind act caught a youth
And stopped him at sin's wide brink.

Only a thought that started it,
To wish this young man well,
Led into prayer that reached to God—
And a soul turned away from hell!

HOW READEST THOU?

A young woman, asked by her friend to explain what is meant by devotional reading of the Bible, replied:

"Yesterday morning I received a letter from one to whom I had given my heart and devoted my life. I freely admit to you that I have read that letter five times, not because I did not understand it at the first reading, nor because I expected to commend myself to the author by frequent reading of his epistle. It was not with me a question of duty, but simply one of pleasure. I read it because I am devoted to the one who wrote it."

To read the Bible with the same motive is to read it devotionally, and to one who reads it in that spirit it is indeed a love letter.

The wardrobes have been furnished by Milla Johnson of Woodland Hills, with the smallest details taken care of from the high-laced whoes and frilly umbrellas to bustles. The program was planned by the Founders Day Chairman, Mrs. William Scheppler, and Life Membership Chairman, Mrs. Harold Fairbank. Special invitations are in the mail to all the past presidents and Life Membership recipients. Also a Honorary Life Membership will be presented to an outstanding personage, name not yet disclosed.

Recent dimer guests of the ROBERT REEDS on Raymond were Mr. and Mrs. Denny McClellan of L. A. Cathy and Karen Reed missed several days of school with the old flu bug.....

Fritzie has been worried the past two weeks over her brother, Arnold Payseno, who was seriously ill and underwent a major operation back in N. Y....

Those of you who remember BONNIE and ED WILLIAMS who

formerly lived where the Snows live now, will be sorry to hear that their youngest son Gil, who is about a year old now, suffered severe burns on his face when he pulled a boiling pot of coffee over onto him. Bonnie was sitting by his bedside at the hospital when she wrote the news to Tessa Mason.....

OLIVE and RUSSELL HAMLIN'S daughter Bonnie is stationed over in Hawaii working for Lockheed in a new office they recently opened up there.....

PAT OWEN, niece of Cel and Mike Schaul, has been staying with them for a week, convalescing from mononucleosis.....

Several days ago, little 10-month old JUDY VAUGHN, daughter of Dorothy and Irvin Vaughn of Smith Road, suffered a double skull fracture when a member of the family was bouncing her on their knee and she went over their shoulder and landed head first on the floor. Was rushed to the hospital but seems to be getting

along alright.....
