Woman's Club

Dainty pink hearts set in arrangements of ivy, and tall pink candles decorated the tables and clubrooms for the 36th birthday anniversary of the Chatsworth Women's Club Tuesday. For it was on Valentine's Day, February 14, 1921, that the club was organized. Its founder, first president, and president emeritus, Mrs. Grace Hageman Armstrong, was among the past presidents honored on this day. Others present to receive their lovely carnation corsages in the club colors of pink and green were Mdms. C. E. Turner, Annette Hughes, Minnie Lanahan, F. H. Schepler, Helen Davis, Edmund Loritz, Bruce Garoutte, and Harold Sunde. Introductions were made by Mrs. R. L. Johnson, the first program chairman and a member for the entire 36 years. She told of the special achievements of each president, which incorporated a brief history of the club.

The luncheon, which carried out the Valentine theme and was climaxed with the traditional birthday cake, was served by Mrs. John Campbell, and her committee, Mdms. Roscoe

Harris, Philip Zekvich, Robert Cooley, J. Dean Park, Edmund Loritz, and Glen Beyer.

Mrs. Will Wilkins, the first club secretary, gave the inspirational before the luncheon, Mrs. Tom Somerville led in the flag salute after giving a few words to remind the ladies that that day was the birthday anniversary of the great American, Abraham Lincoln.

Robert Boggis, who was resigning as chairman of building maintenance after serving in that capacity since the building was erected in 1949, was another honored guest. He was presented with a gift in token of appreciation by the club for his faithful services and kindly and harmonious relationship through the years. The gift was gratefully accepted by Mr. Boggis, who was great surprised and thrilled.

Mrs. Robert Cooley, program chairman, presented the speaker for the afternoon, Edgar Harrison Wileman, lecturer and consultant decorator for Barker Bros. Mr. Wileman is also instructor in interior decorating for the UCLA extension.

EDITORIALby *Viola Haskell*

My most humble and grateful thanks for the innumerable prayers, kind expressions and letters that have been offered in my behalf. I make particular reference to a letter received from a dear soul which asks the question: 'Please help me to understand'.

Lucifer, an angel created by God in the heavenlies, usurped his position and challenged God in His Power, and became Satan. Satan beguiled Adam and Eve and since then sin has been rampant throughout the earth 'for he (satan) roams the earth as a roaring lion, seeking whom he may devour'. This will continue until the Millennium when Satan shall be in chains for a thousand years, then loosed for a short season before he and his followers are relegated to eternal doom.

God looked upon the earth and found the hearts of men continually wicked and sent out his prophets to turn the people away from their wicked ways. Nothing earthly has helped for 'all have sinned and come short of the glory of God - there is none righteous, no not one.

In the fulness of time God delivered His Son, Jesus, to the world to be the propitiation for our sins,

the one sinless, divine being that could redeem the world from the horrors of its own devices. Jesus grew to manhood and being tempted in all points like as we, he walked throughout Palestine giving the salvation message "that whosoever believes that God Almighty has sent His Son to redeem the world from sin, will not perish but have everlasting life". The moment you turn from being "the master of your ship, the captain of your soul" and acknowledge God's divine plan of salvation for each and every individual, you become a new creation, experiencing a spiritual rebirth. You are cleansed from all past sins; you have an advocate with the Father, One who pleads your every cause, Christ Jesus himself; and you walk this earth knowing that you're only passing through on your way to your eternal home.

This cannot be accomplished by works or achievements for they are as nought in the eyes of God. We are a part of his every creation and there is nothing we can offer Him, for all belongs to him - except your heart. That he has given to you to do with as you

(Continued from page 2) wish, but He is pleading for it - will you give him your heart?

The last days of His patience are upon us, and began when the Jews went back to Palestine in 1948. How long these "last days" will be no one knows, but the time is short. Nevertheless, each of us should think of our own earthly time for none knows when he or she may be called away. It is only on this side of the Great Divide may we obtain forgiveness of our sins. In my prayers, I pray for Chatsworth, that individuals will bend their outer crust and fall to their knees and pray the sinner's prayer: "Father, be merciful unto me, a sinner; I repent of my sins against Thee; and I confess Jesus Christ, after all these years, to be my Saviour and Redeemer. Strengthen me and guide me, O Lord, in the paths of righteousness, for His name's sake."

I am "born again" (that spiritual rebirth that comes when you submit to God). I was 39 when I accepted Christ, which I point out to prove that it is not too late. He is waiting for you - now.

Christians are not exempt from tribulations or afflictions, but

He gives us the inward peace and joy to bear them, knowing that these things are only for a season before being "at home" with Him.

Although the hour is set for the operation, God may still render instantaneous healing; if not, there is a Divine purpose, from which He shall be glorified and I shall be greatly enriched. Your prayers and thoughts have been a blessing to God and he will use them in guiding that which is to come.

Thank you, one and all - and may you all come to the saving knowledge of our Lord Jesus Christ is my prayer for you.

THE JANESE family blew a hole in the old exchequer last Friday night when Chuck, Eileen, Bill, Charleen and Bill's girlfriend, Nancy, went to the Bit of Sweden for dinner and later to the show "The Ten Commandments". This was promised to the family if mamma got her driver's license - she did, so they went.

A prescription costs less — far less — than a single day's stay in the hospital. Today, in most cases, just one or two prescriptions are all that a patient needs to get well. But years ago, he would have had to go through a long, expensive session at the hospital. That's why we say:

You must be born again!!

JESUS answered and said unto him, Verily, verily, I say unto thee, Except a man be born again, he cannot see the kingdom of God. Nicodemus saith unto him, How can a man be born when he is old? Can he enter the second time into his mother's womb, and be born? Jesus answered, Verily, verily, I say unto thee, Except a man be born of water and of the Spirit, he cannot enter into the kingdom of God.

IN WHAT ARE YOU TRUSTING?

Trust in yourself, and you are doomed to disappointment; trust in your friends, and they will die and leave you; trust in money, and you may have it taken from you; trust in reputation, and some slanderous tongue may blast it; but trust in God, and you will never be confounded in time or eternity.

He entertained the group delightfully as he explained how decorators have gone back to many outmoded customs and showed how TV had upset more rules and regulations about decorating than any other one thing for many, many years. He displayed many interesting and lovely samples of rugs and drapes as he explained how they might be used.

JIM ROESCH was surprised on his 21st birthday Thursday evening, when he and his mother, presumably going out for dinner, were met at Tang Hall in Reseda by his sister and her husband, Mr. and Mrs. Allan Lubig and two children, Eileen and Lee, Mr. and Mrs. Don Lilja, and Clifford Christensen of Los Angeles. The group returned to the home of his sister for the remainder of the evening to complete the celebration. Happy birthday, Jim!!

Neuro-surgery was performed on DIANE COWLE last Tuesday at the UCLA Clinic, and was very successful, so much so

that Diane was able to be brought home the latter part of the week where she is continuing to convalesce.

On Saturday the CHATSWORTH CUB SCOUTS enjoyed a trek to the snow at Frazer Park. The snow had pretty well disappeared but they finally found enough to enjoy a little snow sport. They purchased weiners and buns en route and cooked them over an open fire. Kenneth Eckhardt was in charge and was assisted by some of the fathers in the transportation. It was a very successful and happy day as no one got lost and no one was hurt!!

Mrs. TED OLSEN of Buttonwillow

and her daughter and husband, Mr. and Mrs. Merle Swarez and four children, former residents, were visiting friends in Chatsworth Saturday. Many old-timers will remember Geo. Olsen, 88, as he came here about 1916--he is Mrs. Olsen's father in law.

Our DANCE was most successful both financially and otherwise. Many of our neighbors turned out and all reported they had a most wonderful time and are looking forward to the next one. LUCILLE and RONALD BOUCHER are the proud parents of a new baby girl born on Feb. 12 at 9:43 p.m. at Northridge Hospital. She weighed 8 lbs, 2 oz. but as yet is un-named. The little Miss has a brother David, and two sisters, Eileen and Melody. Mr. and Mrs. D. L. NOWLIN received a long distance call from their daughter JOY who is studying at the Northwestern Bible College in Minneapolis, to inform them that she is engaged to Ray Murry of Huntington Park who is also attending the same college. They will both graduate in June but wedding plans are uncertain. Little ARLENE LOVELESS celebrated her third birthday on Feb. 10 and Mr. Wm. Crombie celebrated his 86th birthday on Feb. 12, with neighbors dropping in to wish him

well. His grand-daughter Bonnie Averyl baked him a most beautiful cake! On Wed. Feb. 6 Mary BAUMGARDNER went to Los Angeles to attend the funeral of Mrs. Della Grumman, a former resident of the Lake. Just one more reminder about those Well Baby cards -- they aren't coming in very fast. Get them in the mail TODAY.

BOY SCOUT TROOP 26 served breakfast Sunday morning at Chatsworth Center as a ways and means project. Over 90 guests were served and the boys and their leaders were very happy over the success of the affair. Scoutmaster Carl Henneman was assisted by several of the fathers in preparing the meal, and the boys helped busily with the serving and dishwashing afterward.

Mrs. SADIE HARRISON of San Pedro is visiting this week at the home of Mr. and Mrs. Walter Allison and during her stay is trying to see as many of her old time friends as she can. Sadie was a 30-yr. Chats. resident.

The Chatsworth LEGION AUXILIARY had as honored guests the 20th District president, Mrs. Jessie Moore, and the vice president, Mrs. Audery Conley, at their meeting Wednesday night. The local president, Mrs. Ruth Ulery, presided.

Mrs. Moore gave a comprehensive talk explaining in detail the various aspects of all the departments of Auxiliary work, which was very enlightening.

Mrs. Conley, district membership chairman, reviewed the membership status of the district.

Plans were discussed for the rummage sale to be held Saturday March 2, in the vacant store building adjoining the drug store, with Mrs. Kay Patrick as chairman. Donations of clothes and other rummage sale items are welcome.

Following the meeting the members and guests enjoyed a delightful Valentine party.
