

Save the Stagecoach Trail!

1976

In an effort to save the historic 1860s Stagecoach Trail, the Northwestern Los Angeles Resource Conservation District has requested \$290,000 of special district augmentation funding from the Los Angeles County Board of Supervisors. More than \$69 million has been allocated by the state for L.A. special districts and the Chief Administrative Office has recommended no funding for the RCDs request. His recommendations will be considered after 9:30 am, Tuesday November 24 as agenda item # 13.
