

Santa Susana Mountain Park Association

HAPPY BIRTHDAY, JOHN MUIR!

Our April 15, 1991 general meeting will feature a 16 mm film on the life story of poet/environmentalist John Muir, who was born on April 21, 1838. John Muir founded the Sierra Club, and did more than any other person to shape the 20th Century Conservation movement.

As a tribute to Muir, SSMPA will announce our participation in a major fund raising event called, "The Human Race". SSMPA is encouraging its membership to walk, jog or run in this 2, 5, or 10K event. Those who do not participate are encouraged to sponsor someone who will - on our behalf. For further information, please call Nancy at 341-3512. This is a National event that is locally organized by the Volunteer Center of the San Fernando Valley, and 75% of funds that we collect from our sponsors will go to SSMPA, and 25% will go to the SFV Center.

Our meeting will also include information concerning the proposed Native Forest Bond Act scheduled for the June 1992 Ballot.
